IFRA Certificate

Amendment 51 · Source doc: 2026-01-14

CA Perfume — Amber Rouge Saffron

EMRA #: 0023 SKU: CA-0023 Type: Fragrance Oil

This fragrance complies with the IFRA Standard, Amendment 51.

The limits below represent the maximum permitted use level of this fragrance oil in the finished product for each application category.

MAXIMUM USE LEVELS BY APPLICATION CATEGORY (IFRA 51)

CAT.	APPLICATION TYPE	IFRA 51 LIMIT	PREV. LIMIT
2	Deodorant and antiperspirant products	No Restriction	No Restriction
3	Eye area cosmetics	No Restriction	No Restriction
4	Fine fragrance products (spray)	No Restriction	No Restriction
5A	Category 5A	No Restriction	No Restriction
5B	Category 5B	No Restriction	No Restriction
7A	Category 7A	No Restriction	No Restriction
7B	Category 7B	No Restriction	No Restriction
8	Products with brief skin contact	No Restriction	No Restriction
9	Household care products (spray)	No Restriction	No Restriction
10A	Category 10A	No Restriction	No Restriction
10B	Category 10B	No Restriction	No Restriction
11A	Category 11A	No Restriction	No Restriction
11B	Category 11B	No Restriction	No Restriction
12	Products designed for use in the oral cavity	No Restriction	No Restriction

Limits apply to the fragrance oil component. Percentage is of the total finished product weight. "No limit" indicates no restriction; "Prohibited" indicates the fragrance must not be used in that category.

This certificate presents the IFRA conformity data from the supplier IFRA certificate on file, reformatted in the CA Perfume / HumanSafe™ layout. The data reflects IFRA Standard Amendment 51. For the original signed supplier IFRA certificate, contact CA Perfume.
