CA Perfume — Night Air Illusion

EMRA #: 0156 SKU: CA-0156 Type: Fragrance Oil

This fragrance complies with the IFRA Standard, Amendment 51.

The limits below represent the maximum permitted use level of this fragrance oil in the finished product for each application category.

MAXIMUM USE LEVELS BY APPLICATION CATEGORY (IFRA 51)

CAT.	APPLICATION TYPE	IFRA 51 LIMIT	PREV. LIMIT
2	Deodorant and antiperspirant products	2.58%	4.68%
3	Eye area cosmetics	6.83%	6.83%
4	Fine fragrance products (spray)	45.23%	45.23%
5A	Category 5A	12.39%	22.40%
5B	Category 5B	9.33%	9.33%
7A	Category 7A	11.17%	11.17%
7B	Category 7B	11.17%	11.17%
8	Products with brief skin contact	3.16%	3.16%
9	Household care products (spray)	40.02%	40.02%
10A	Category 10A	24.78%	40.02%
10B	Category 10B	45.23%	45.23%
11A	Category 11A	3.16%	3.16%
11B	Category 11B	3.16%	3.16%
12	Products designed for use in the oral cavity	No Restriction	No Restriction

Limits apply to the fragrance oil component. Percentage is of the total finished product weight. "No limit" indicates no restriction; "Prohibited" indicates the fragrance must not be used in that category.

This certificate presents the IFRA conformity data from the supplier IFRA certificate on file, reformatted in the CA Perfume / HumanSafe™ layout. The data reflects IFRA Standard Amendment 51. For the original signed supplier IFRA certificate, contact CA Perfume.
