CA Perfume — Iris & White Musk Intense

EMRA #: 0340 SKU: CA-0340 Type: Fragrance Oil

This fragrance complies with the IFRA Standard, Amendment 51.

The limits below represent the maximum permitted use level of this fragrance oil in the finished product for each application category.

MAXIMUM USE LEVELS BY APPLICATION CATEGORY (IFRA 51)

CAT.	APPLICATION TYPE	IFRA 51 LIMIT	PREV. LIMIT
2	Deodorant and antiperspirant products	11.73%	11.73%
3	Eye area cosmetics	44.49%	44.49%
4	Fine fragrance products (spray)	No Restriction	No Restriction
5A	Category 5A	55.73%	55.73%
5B	Category 5B	54.99%	54.99%
7A	Category 7A	89.99%	89.99%
7B	Category 7B	89.99%	89.99%
8	Products with brief skin contact	17.49%	17.49%
9	Household care products (spray)	No Restriction	No Restriction
10A	Category 10A	No Restriction	No Restriction
10B	Category 10B	No Restriction	No Restriction
11A	Category 11A	17.49%	17.49%
11B	Category 11B	17.49%	17.49%
12	Products designed for use in the oral cavity	No Restriction	No Restriction

Limits apply to the fragrance oil component. Percentage is of the total finished product weight. "No limit" indicates no restriction; "Prohibited" indicates the fragrance must not be used in that category.

This certificate presents the IFRA conformity data from the supplier IFRA certificate on file, reformatted in the CA Perfume / HumanSafe™ layout. The data reflects IFRA Standard Amendment 51. For the original signed supplier IFRA certificate, contact CA Perfume.
