CA Perfume — Noir De Noir

EMRA #: 0516 SKU: CA-0516 Type: Fragrance Oil

This fragrance complies with the IFRA Standard, Amendment 51.

The limits below represent the maximum permitted use level of this fragrance oil in the finished product for each application category.

MAXIMUM USE LEVELS BY APPLICATION CATEGORY (IFRA 51)

CAT.	APPLICATION TYPE	IFRA 51 LIMIT	PREV. LIMIT
2	Deodorant and antiperspirant products	2.29%	2.29%
3	Eye area cosmetics	35.71%	35.71%
4	Fine fragrance products (spray)	42.99%	42.99%
5A	Category 5A	10.99%	10.99%
5B	Category 5B	10.99%	10.99%
7A	Category 7A	54.28%	54.28%
7B	Category 7B	54.28%	54.28%
8	Products with brief skin contact	4.49%	4.49%
9	Household care products (spray)	83.99%	83.99%
10A	Category 10A	No Restriction	No Restriction
10B	Category 10B	No Restriction	No Restriction
11A	Category 11A	10.80%	10.80%
11B	Category 11B	10.80%	10.80%
12	Products designed for use in the oral cavity	No Restriction	No Restriction

Limits apply to the fragrance oil component. Percentage is of the total finished product weight. "No limit" indicates no restriction; "Prohibited" indicates the fragrance must not be used in that category.

This certificate presents the IFRA conformity data from the supplier IFRA certificate on file, reformatted in the CA Perfume / HumanSafe™ layout. The data reflects IFRA Standard Amendment 51. For the original signed supplier IFRA certificate, contact CA Perfume.
